ALL-NEW
GX550

ENTERING A NEW TERRAIN FOR LEXUS.

LET THE ADVENTURE BEGIN.

Lexus Overtrail redefines off-road exploration and calls on all 4x4 enthusiasts with a thrill for exploring. 'Over' represents a passion for adventure, while 'trail' reflects the serenity of nature.

Feed your appreciation for the outdoors with the all-new GX 550 range. These unstoppable SUVs pride themselves on driving performance, off-roading capabilities and luxurious refinement. Kitted with the renowned GA_F Platform and a V6 twin-turbo engine, powerful is an understatement to describe the GX.

The GX 550 SE is crafted to perfection for every terrain with pure capability and luxury in mind, featuring its all-new platform, new powertrain and three rows of magnificent seating.

The GX 550 Overtrail comes standard with the E-KDSS (Electronic Kinetic Dynamic Suspension System) to take on any landscape in confidence and style. As the first of its kind, it features a wide array of trail-proven technologies and a distinct exterior character.

GX 550 SE

GX 550 SE

The GX 550 SE is the premium petrol SUV that's rooted in luxury. This seven-seater cruiser houses a 3.5-litre twin-turbocharged V6 engine, producing 260kW of power and 650 newton metres of torque. It comes in monotone colours to make an exterior statement, while its 21-speaker Mark Levinson® Audio System ensures an immersive sound experience on the inside. Thanks to a Double Wishbone Suspension and a Rear Differential Lock, navigating rocky trails and sandy dunes is as smooth as a casual drive in the city. Not to mention the convenient Kick Sensor for easy access to the boot, a refreshment-ready fridge console box, as well as the Panoramic Roof to let the rays in on those sunny road trips.

GX 550 OVERTRAIL

GX 550 OVERTRAIL

The GX 550 Overtrail is the ultimate petrol off-roader that makes all your 4x4 desires a reality. This five-seater terrain-ready SUV has the power to explore every landscape with a 3.5-litre twin-turbocharged V6 engine, producing 260kW of power and 650 newton metres of torque. Available in monotone and bi-tone colours, it is impossible to ignore. The Overtrail features an E-KDSS (Electronic Kinetic Dynamic Suspension System) and a Rear Differential Lock, ensuring no trail is left undiscovered. Its 10-speaker Lexus Premium Audio System brings sound to your adventure and its sleek moonroof brings the outside environment in as you're ascending along.

THE GX OVERTRAIL.

The GX Overtrail is the most capable off-roading vehicle within the range, its square stance symbolising off-road and toughness in a modern way. With this in mind, its shape is also a taut design with a wide track and fender flares for stability. To further enhance the vehicle's look of strength, it is fitted with widely flared square wheel arches. The angle of the bonnet is tall, while the centre part of the vehicle slopes down drastically for increased visibility.

South African specifications may vary.

A POWERFUL VISION OF CAPABILITY.

Designed for those who seek adventure beyond the city, this 4x4 is built to tackle rugged terrain with ease. With advanced engineering and trail-ready capability, it delivers the performance and durability needed to take on any challenge. No matter the conditions, this vehicle is ready for the journey ahead.

South African specifications may vary.

▼ MULTI-TERRAIN SELECT (MTS)

This feature boasts six modes: Auto, Dirt, Sand, Mud, Deep Snow and Rock, with Auto Mode estimating the road condition based on information from various sensors. The operating range extends from low range (L4) to high range (H4).

▼ ELECTRONIC KINETIC DYNAMIC SUSPENSION SYSTEM (E-KDSS)

This intuitive suspension system achieves a high-level of both on-riding handling stability and off-road drivability. Its 4x4 technology ensures that articulation exceeds conventional models and improves road tracking on rocky roads, taking traditional off-road performance to a whole new level.

▼ FULL-TIME 4-WHEEL DRIVE (4WD)

A robust full-time 4WD system enables you to experience pure control and confidence on every surface, both on- and off-road. To optimise traction across an array of conditions, a Torsen® 17 torque-sensing limited-slip differential with electronic locking feature is included, efficiently distributing engine power between the front and rear axles.

LEXUS MAINTENANCE

INTRODUCTION

At Lexus, we take pride in the advanced engineering and craftsmanship of the vehicles we build. For that reason, our Warranty and Distance Plans are designed to provide Lexus owners with seamless vehicle maintenance and complete peace of mind. The Lexus Warranty and Distance Plans both enjoy full support by Lexus SA and offer customers access to specialised servicing, maintenance and repair at any Lexus dealer in South Africa, Namibia and Botswana.

WARRANTY AND DISTANCE PLANS

To complement its comprehensive Warranty, the GX features a Distance Plan Complete that provides for service and maintenance costs. The option to extend the period of cover is available for both the Warranty and Distance Plan Complete. These options can be discussed with your Lexus dealer. To familiarise yourself with the cover provided by Warranty and Distance Plan on the GX, please consider the information below.

WARRANTY

- Duration: 7 Years or 100 000km from original date of sale.
- Cover: Repair or replacement of components that fail or malfunction as a result of manufacturing or material defect.

DISTANCE PLAN

The GX features a Distance Plan Complete that will incept with the vehicle's Warranty.

- Duration: 7 service intervals or up to 100 000km.

Consult with your Lexus dealer for more information on the terms and conditions of the Warranty and Distance Plan Complete offered on the GX.
